

Primary and Secondary Grading Scales of Tallinn European School

Tallinn European School adopts the following grading scales, based on the European Schools regulations (Ref: General rules of the European Schools n° 2014-03-D-14-en-5 Orig. FR.) and their new marking scales (Ref: <https://www.eursc.eu/en/European-Schools/studies/markings-scale>).

Primary 1-2

In order to allow for a smooth transition from Nursery to Primary, and to emphasise fully the formative aspects of assessment in early primary education, Primary 1 and 2 students will be graded in eKool with comments, and not with numerical marks, letter grades or other level defining symbols.

Primary 3-5

Mark	Description
++++	The competence can be used confidently and applied appropriately and independently in new situations
+++	The competence can be used confidently and applied appropriately
++	The competence has been partially acquired
+	The competence has not been acquired

This grading scheme is applied to reports only. Any grade or comment in eKool during the regular lessons in the school year is given according to the following correspondence, not to be confused with Secondary letter grades: A (++++), B (+++), C (++), D (+).
