

Looking for an exciting job
in the field of education?

Join TES as a full-time

Mathematics and ICT Teacher

YOUR DAILY TASKS WILL BE:

- Teaching Mathematics, Information and Communication Technologies at Secondary level.

You will be working together with the Educational technologist/ICT Teacher already present at TES.

You should join us because:

- We have a friendly and supportive team and an exciting job for you in a thriving school.
- We value respect, harmony and creativity and strive to develop a motivating and innovative learning environment.

WE ARE WAITING FOR YOU TO JOIN OUR TEAM IF YOU:

- have an MA degree (preferably in the field of technology or computer sciences);
- have qualified teacher status or equivalent qualifications;
- have excellent skills of English (at least B2) – good knowledge of any other official language of the European Union spoken at school would be an asset;
- are passionate to work as a teacher, whose focus is to support children's development;
- have work experience in international or intercultural education;
- have excellent communication and interpersonal skills;
- are willing to be part of a team and contribute to the school development.

This is a part-time position with an indefinite term contract starting from Monday 16 August 2021.

To apply, please send your CV and motivational letter through our website tes.edu.ee/job-vacancies by **Wednesday 14 July 2021**.
