

Looking for an exciting job
in the field of education?

Join TES as a full-time
IT Manager

YOUR DAILY TASKS WILL BE:

- Continuous development of IT concept of the school,
- Administration and maintenance of the school's network, IT infrastructure and IT tools,
- Administration of the hosting and backend of the school's website and Office365 account(s),
- Monitor changing technology and tools for teaching and deliver a technology update to the school's pupils and staff,
- Solving day-to-day IT problems of the pupils and staff.

You should join us because:

- We have a friendly and supportive team and an exciting job for you in a thriving school.
- We value respect, harmony and creativity and strive to develop a motivating and innovative learning environment.

WE ARE WAITING FOR YOU TO JOIN OUR TEAM IF YOU:

- have a BA degree in information technology or in a related field;
- have comprehensive understanding of network architecture and client/server technology;
- have strong problem solving and communication skills;
- are highly motivated and independent self-starter who takes initiative;
- have work experience in system administration (minimum of 2 years);
- are confident in Estonian and English, speaking any other EU language is considered as an advantage;
- are willing to be part of a team and contribute to the school development.

This is a full-time position with an indefinite term contract starting on Monday 18 October.
